

Act One Scene One

SW: Hello Frank. Isn't it a beautiful day?

Frank: (*coy*) Not as beautiful as you.

SW: Oh you are sweet Frank, and you do make me laugh. What have you been doing today?

Frank: I have been meeting all the lovely boys and girls and mums and dads in the audience tonight!

SW: Hello everyone, I didn't see you there.

Frank: Yeah, these stage lights make it hard to see anything!

SW: It's lovely to meet you all. I am Snow White, and I turn 18 tomorrow. It means I will be an adult and my wicked Stepmother the Queen can't tell me what to do anymore.

Frank: Yes, she is wicked, and not in the cool way, you feel me!?

SW: Oh Frank, you do make me laugh. I can't wait to have a big party and meet everyone. People from all over the land are coming. There'll be Lords, Ladies, Kings, Queens...

Frank: There's one or two of them backstage!

SW: And there may even be a handsome Prince or two.

Frank: (*to audience*) I hope not!

SW: Sorry what was that?

Frank: Nothing, I was just saying I was hot. It's a beautiful day and it's very hot and I...need to stop talking now.

SW: I can't wait to see everyone dressed up, there'll be singing, dancing, oh it'll be the happiest night of my life.

(SNOW WHITE SONG)

Frank: My, look at the time! All this singing has made us late, there's so much to do ahead of tomorrow. We best get going, see you later boys and girls!

(They exit)

Act One Scene Five

Queen: I am fed up of everyone being happy and celebrating Snow White. Pah. Why does she deserve the attention? I have brought the Kingdom from its knees to be respected and nobody says thank you. Well I have had enough. I am the most beautiful in the land and yet they admire HER. Henchman, attend me!

Hench: *(enters and bows)* Yes, Your Highness.

Queen: Snow White is going to be a bigger problem than we thought. She is there flirting with all the bachelors out there and turning heads.

Hench: Sounds painful, Your Highness.

Queen: Turning heads AWAY from me. I should be the most beautiful.

Hench: You're beautiful.

Queen: The most funny.

Hench: You're funny.

Queen: The best smelling.

Hench: You're smelly.

Queen: EXCUSE ME!!

Hench: Sorry, Your Highness!

Queen: We need to take action.

Hench: What would you like me to do?

Queen: There's only one thing TO do. We need to get rid of Snow White.

Hench: Well the bin man comes on a Tuesday, so...

Queen: No you fool!

Hench: So what do you want me to do?

Queen: Make her disappear.

Hench: But I don't do magic.

Queen: No, I need you to take her from the party, steal her away while nobody is looking. While the entertainment is on. You need to take her deep into the enchanted woods, march her ten paces away so nothing in the enchanted wood knows your doing, and...well, you know, I will let you think of the rest.

Hench: But I am no good at thinking.

Queen: You know, pop her off!

Hench: Pop her off. Got it.

Queen: So what are you waiting for, the entertainment is nearly done. GO!

(Henchman goes to exit stage. Queen coughs.)

Hench: Yes, your Highness.

Queen: Where are you going?

Hench: You said to go.

Queen: Yes, go where?

Hench: To find the party and Snow White.

Queen: We are AT the party and THERE is Snow White.

(party resumes with the tail end of a joke by Frank. He keeps mouthing jokes during the next passage as the chorus are laughing and reacting)

Frank: How does one ship get past another? It BARGES past. *(Chorus laugh)* Thank you, hope you have a good night and happy birthday, Snow White!

SW: Thank you.
